

# Xerox® DocuMate™ 4830i

## Versatile scanning solution for large documents

- Perfect for a wide variety of documents, up to A3 size
- 50 ppm in simplex and 100 ipm in duplex\*
- Ultrasonic double feed detection
- One Touch scanning to any of 9 destinations at the touch of a button
- Create searchable PDF files making scanned documents easy to find
- Automatic image enhancement tools without the need of user intervention

\* Landscape at 300 dpi b/w & grayscale

### High Volume and Performance Solution

The Xerox® DocuMate™ 4830i scanner is an effective way to manage large-sized documents and import them to a content management solution in a single step. The DocuMate™ 4830i offers an attractive price, outstanding performance and exceptional reliability for corporate workgroups and departments, and small or medium-sized businesses.

The DocuMate™ 4830i has a friendly interface that allows the user to simply insert their document, and then press the Simplex or Duplex button on the front panel to initiate scanning and automatically email, print, convert or share their file. The buttons are preset at the optimal resolution, colour depth, file format and paper size for common scanning tasks, but of course can be easily changed at any time.

The versatile scanner features a 2-way design that accommodates a wide variety of documents.

**DADF** – For efficient scanning of forms, invoices, or standard documents

**Flatbed** – For convenient scanning of fragile documents and accommodates even thick books up to A3 size

### Secure and Reliable

Regulatory compliance requirements have dramatically increased the need for companies to implement reliable records management. Document capture solutions have also been essential to meet the everyday document imaging needs of paper intensive offices.

The DocuMate™ 4830i includes software tools to edit, crop and retouch scanned images and organise the files into folders. With the touch of a button, users are able to scan and automatically store, optical character recognition (OCR), print, attach or view their documents in a range of locations from their desktop to their storage cloud.

Businesses ranging from (not limited to) healthcare, transportation and industrial manufacturing markets that handle and manage substantial quantities of paper will immediately appreciate the functionality and reliability of the DocuMate™ 4830i.

## Visioneer®

### OneTouch

OneTouch provides the most efficient ease-of-use scanning experience to improve your work flow. OneTouch enables the Xerox® DocuMate™ 4830i scanner to send your scanned documents to nearly any destination of your choice all at the touch of a button. The files can be automatically delivered to a specific folder, email, Microsoft Office Application, a local or network printer, a custom application or your cloud storage.

### Acuity

With the use of advanced algorithms and dynamic thresholding, Acuity aims to improve the visual clarity of every document that you scan. This technology enables your scanner to instantly correct documents containing

imperfections, it improves the overall quality of scanned images, increases increases OCR accuracy and most importantly saves your time.

### DriverPLUS

DriverPLUS is a new generation of innovative driver technology for Xerox® DocuMate™ scanners that enables a superior experience for both users and system integrators. DriverPLUS is based on the most current TWAIN 2.2 specifications, and combines the features of advanced 32- and 64-bit native Windows-based TWAIN and WIA drivers.

## Nuance®

### OmniPage® Pro

OmniPage Pro provides a precise OCR and layout retention solution that quickly

transforms scanned documents into editable and formatted text. The text can then be used in virtually any word processing, desktop or web publishing program.

### PDF Converter

Nuance PDF Converter is the smarter PDF software choice for businesses. It combines superior Microsoft Office Support, powerful functionality, built-in intelligence, DMS integration and intuitive ease of use. Nuance PDF converter provides everything you need in order to create, convert, edit, assemble and securely share PDF files.

## Office Gemini®

### Dokmee Capture

Dokmee Capture high production scanning software provides all the features required for document capture, processing and reporting. It allows businesses both large and small to easily convert their scanned documents into digital files, capture images and data contained in them, and then transform it into organised searchable information. This mission-critical business information is then placed into a centralised location to be easily searched, stored and retrieved when needed.

Xerox® DocuMate™ 4830i Product Specifications	
Type	Desktop DADF with Flatbed
Scan Speed (Landscape @ 200 and 300 dpi b/w & grayscale)	50 ppm simplex / 100 ipm duplex
Scan Speed (Landscape @ 200 and 300 dpi colour)	30 ppm simplex / 60 ipm duplex
Scan Method	Fast DADF and Simplex Single-pass Flatbed
Imaging Sensor	CIS (Contact Image Sensor)
Light Source	LED (Light Emitting Diode), instant on
Background Colour	DADF: Gray      Flatbed: Black
Optical Resolution	600 dpi
Output Bit Depth	24-bit colour, 8-bit grayscale, 1-bit black & white
Interface	Hi-Speed USB (2.0), compatible with USB (1.1)
Detection	Ultrasonic double feed detection
Dimensions	22.9"(w) x 19.6"(d) x 7.6"(h) (581 x 499 x 194 mm)
Weight	26.4 lb (12 kg)
Maximum Flatbed Scanning Area	11.7" x 16.5" (297 x 420 mm)
DADF Maximum Document Size	11.7" x 118" (297 x 2997 mm)
DADF Minimum Document Size	4" x 4.13" (102 x 105 mm)
DADF Capacity	75 sheets (20 lb / 75-80 g/m <sup>2</sup> paper)
Duty Cycle	3,000 pages/day
