Description
A3 Mono Laser Multifunction

- Print, Copy, Scan, Fax (optional)
- Print Speed: up to 25ppm
- Duplex Print & Scan
- Wireless (optional via third party interface)
- MPS Plans available

Standard Warranty: 1 year onsite**

This is a great entry price for an A3 MFD, delivering print and copy speed of up to 25 pages per minute for A4, and 18 pages per minute for A3. The Fuji Xerox DocuCentre S2520 comes standard with reversing document feeder, duplex print/copy/scan, hardwired network, and colour scanning. Fax is also available as an optional extra. The outstanding productivity features of this model include a convenient ID card copy function, and alternating horizontal-vertical stacking can save a lot of time when outputting many copies of the same document - such as materials for meetings.

The base unit starts with a 250 sheet tray and a 100 sheet bypass for desktop configuration, and can be expanded with extra trays to a maximum paper capacity of 1,850 sheets and an optional floor stand. *Note that the Fuji Xerox S2520 is not compatible with a MAC environment
