Think bigger, go smaller. The Fuji Xerox CM415ap has the same fantastic print quality and speed as the CM405df but with sophisticated document management solutions that are usually only found with much larger and more expensive models. Cost Recovery, Follow-me Print, Job Flow & Serverless On-Demand, as well as integration into third party systems such as PaperCut, Equitrac and others is all possible. With optional extra tray, cabinet & warranty extensions available, it is fully customisable and configurable. Plus the 7 inch touch screen is massive.
