Description
(refurbished) A3 Colour Multifunction

- Print, Copy, Scan, Fax (optional)
- Print Speed: up to 25ppm
- Duplex Print & Scan
- Wireless (optional)
- MPS Plans available

The newly released Fuji Xerox DocuCentre-V C2265 starts off as a compact device with the flexibility to be configured into a full-blown multifunctional with an array of options including additional trays, automatic stapling, booklet making and hole punching. The automatic duplex document feeder pumps through large batch scans at a blistering 55 pages per minute and various scan options include searchable and high compression PDFs. The optional Wi-Fi supports today's increasingly mobile workforce and the Server-less On-Demand option enables a Follow-me Print Solution without the need for costly server based software. Users can release their print jobs on demand by simply entering their pin, or "Tap'n'Go" using the optional card reader. DMP have been particularly impressed by the outstanding print quality of this device. Xerox have leveraged a technology that is already found in Production Printers, enabling the C2265 to produce the best possibly quality on a variety of media.From desktop to a floor standing fully configured powerhouse the Fuji Xerox C2265 deserves a place in any office.
