A fantastic entry into A3 colour with a print speed of up to 20ppm. Size does matter – we have had feedback from our customers that they are delighted to have an affordable A3 solution in such a small package. The HP Colour LaserJet CP5225dn has automatic duplex print and uses reliable all in one toner & drum cartridges to keep the high print quality consistent. This device is easy to set up and the adjustable paper trays easily handle plain, premium and glossy paper. Optional Wi-Fi, extra tray configurations and warranty extensions are also available for this device.
