The DocuPrint CP315dw is part of the latest [Smart@Work Series](#) from Fuji Xerox and

it's all about the technology. Advanced connectivity and powerful security features, as well as accounting features to help you to manage print expenses, make the DP CP315dw a serious contender for multi-user environments. NFC (Near Field Communication) technology allows a simple tap of your smart device to print documents, and with support for Apple AirPrint, Google CloudPrint and Mopria Print for Android, contactless communication between your mobile device and the printer is made simple. Keep up with demand having print speeds of up to 28 pages per minute and the optional availability of extra paper tray and floor stand.

Standard Warranty: 1 year on-site. Warranty extensions available
