Standard Warranty: 1 year on-site\*\*

The Fuji Xerox DocuPrint CP405d has exceptional print quality and performance, making it one of DMP's favourites. Good resolution combined with Genuine Adobe PostScript helps to ensure your print comes out exactly how you want it. The large paper input, as well as the fast networking capabilities, makes for a great workgroup solution. The CP405d is Apple AirPrint compatible, and if working off-site, you can use Google Cloud Print to print documents back at the office so they are waiting on your return.

Optional Wi-Fi, tray configurations and warranty extensions are available for this device.

**\*\*Ask about our special offer - 3 year on-site warranty included for ABN Holders\*\***
