~~RRP: \$4834.50~~

Description A3 Desktop DADF/Flatbed Document Scanner

- 75 page Automatic document feeder
- Up to 50ppm (100ipm) single pass duplex scan
- USB

Standard warranty: 1 year quick exchange

The Fuji Xerox DocuMate 4830i offers both a 75 page duplex automatic document feeder (DADF) as well as flat-bed so you can scan up to A3 size bound pages and originals you

don't want to risk damaging. With optional NetScan (network scan server for hardwired network connectivity), and bundled with document management solutions valued at \$2,004.00, the 4830i will be appreciated by businesses that handle and manage large quantities of paper. Optional warranty extensions are also available for this device.
