Part of the Brother commercial high volume series, the Brother HL-L6400DW monochrome laser printer is perfect for workgroups with a need for high speed and high volume, but low cost printing. This device features print speeds of up to 50ppm, automatic 2-sided printing, mobile print capabilities, and a combined paper input of 570 sheets. The HL-L6400DW is scalable to fit virtually any office - add either optional trays to increase capacity or transform this printer into a floor-standing model with the tower tray option bringing the total input capacity up to a massive 2,650 sheets. Standard paper output is 250 sheets with an option to add a 4-bin mailbox to a maximum of 800 sheets. The optional ultra high-yield toner gives you up to 20,000 pages per cartridge, significantly reducing total cost of ownership. You'll experience seamless workflow with the Brother HL-L6400dw like never before.

Standard Warranty: 1 year return-to-base
