Description

Wireless High-Speed Desktop Scanner

- 50 page Automatic document feeder
- Up to 50ppm (100ipm) single pass duplex scan
- USB 3.0, Hardwired Ethernet, WiFi, Near Field Communication

Standard Warranty: 1 year return-to-base

Borrowing technology from the 'Professional Series', the new ADS range from Brother will amaze. The Brother ADS-3600W desktop scanner is designed to master high volumes with ease. It has all the great features of the ADS-3000N, but with the added bonus of a 9.3cm touchscreen and wireless connectivity. Near Field Communication (NFC) also offers both security as well as efficient 'touch to connect' for direct scanning to mobile devices. This is a great choice to take your business forward. Extended warranty is available for this machine.
